

12th April 2017.

Andy Robbins,  
City Development Manager.  
Exeter City Council.

Planning Application No: 17/0380/07.  
18 Cathedral Yard.

Dear Mr Robbins,

This appears to us, the Planning Sub-committee of the Exeter Civic Society, a very careful restoration of this delightful and important building.

We do though have one concern, which is the quality of life being provided in the basement apartment given the apparent lack of natural light. We note the light well but would consider this inadequate as the sole source of natural light and would wish serious reconsideration to be given to the use of this area before approval was granted.

Yours sincerely,

Chris Watson:  
on behalf of the Planning Sub- committee of the Exeter Civic Society.
