Hi all,

Yes, Jacobs did the Arboricultural Survey for the Exeter FDS. If a copy of the tree survey plans and schedule are required, please let me know. Likewise, if ECL would like a quote for updating the tree survey for Bonhay Meadow, please feel free to forward my contact details to xxx.

Kind regards

Hi xxx

I'm afraid I don't know but xxx (Jacobs Landscape Architect) might be able to help.

Hi xxx

Could you assist on xxx query below please?

Thanks

xxx

Hi Both – hope you are having a nice summer -

In the absence of xxx – Do either of you know who did the Arboricultural Survey for the Exeter FDS? I don't have access to all the document 'we' produced, or know where they are.

Cheers

Xxx

Subject: Bonhay Meadows - Arboricultural Surveyor for Flood Defence Scheme?

Hi xx,

I have just left a voicemail for you to see if you might help advise who undertook the Arboricultural Survey associated with the Flood Defence Scheme works at Bonhay Meadows. I did try xxx phone number before yours but learned she's on annual leave.

ECL are looking to get an updated tree survey of the proposed development area and I had a thought that it might be efficient/cost effective to approach the company that did the survey for the Flood Defence Planning application (I have looked at the ECC Planning Portal, but can't seem to find it online.)...

Are you able to help please?

kind regards,

xxx
