

1st July 07

Dear Margo

Booklet distribution

I have taken a set today to

(1) St James' Church.

Also, in a wider interpretation of places of worship and educational establishments, a set to

(2) English in Exeter Language School in Longbrook Street

(3) The Islamic Centre for the South West York Road.

(St Olave's don't seem to have a library and I think that booklets left there would be taken by passers by.)

Waterstones at Roman Gate are planning to stock our booklets again.

6th July

I will bring you 12x Hemlock on Thursday.
Thanks for your help in clearing them!

7th July
Thank you for the copies of Muebb's letters.
