

RE-COLOUR

NORTH STREET

**Saturday 13 June
10am - 4pm**

**Devon Ukrainian Association
19 North Street
Exeter**

If you are using North Street, you know how much it cries out for improvements. As this central street with its rich history since the Roman times has started to undergo significant change, there is a rare opportunity to help shape how future investment and development contribute to the character, identity, and everyday life of this street. We want local voices, ideas, and experience to be part of that conversation.

**Come join us for an
Open Day to find out what
others have in mind for
North Street, comment on
what has been suggested,
add your own ideas and
vote for your favourite
proposals!**

Exeter 
Civic Society
